# DRUGS ISSUES ? (past or present)

**Unhappy** about your **treatment**, **script** or **care plan**?

Struggling to find **stability** in your life due to the pressures of **debt** problems, **benefit** issues, **legal** or **criminal** matters, **housing**, etc, but not sure where to go?

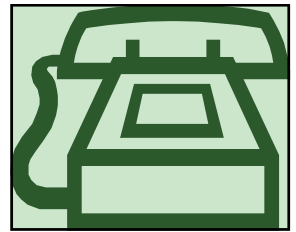

**Unable** or **afraid** to speak up, or feel like you are not being listened to about the decisions that affect **your life**?

An independent advocate can:

- **work with you** to find out what **you want** and the **options** and/or **choices** available
  - support you to attend **meetings**
- hook you up with the **services you need**
  - support you to **speak up for yourself**
  - Make sure there is **no comeback**

The service is independent, free, confidential, impartial, non judgemental and lead by you!
